HERB SEED FOLDERS

Here is something extra special. We are starting out with four different Herb Seed Folders. Other special Folders will follow. Folders contain from 8 to 10 different kinds of herb seeds, short description, botanical name, uses, and growing suggestions.

The Beginner's Herb Garden Folder has the basic herbs such as Lavender, Thyme, Sweet Basil, Sweet Marjoram, etc. ---------- each $1.50

The Collector's Herb Garden Folders I, II, III, each will have many rare herbs and varieties. Each Folder will be different.---------- each $2.00

We also have packets of herbs. Send us your wants.

The Capsicum Pepper Folder is composed of both useful and ornamental Peppers, some of striking beauty. We have a large collection and are continually adding to it.---------- $1.00

Salads and Greens Folder offers some of the oldtime and unusual garden vegetables still worthy of a trial. Lovage, Skirret, Rampion Garden Cress, French Sorrel, etc.---------- $1.00

Bible Plants Folder. This will consist of the more rare plants mentioned in the Bible and a splendid idea for the church garden. The contents will vary from time to time as some of these plants are very hard to find and in short supply. Some are very tender and must be grown indoors. Mandrake, Costus, Camphire, (Henna), Judas Tree, Christ's Thorn (Paliurus), Carob (St. Johns Bread), Onycha, Galbanum, "Hyssop" Origanum, Fenugreek. ---------- $3.00

Plants of Legend and Mary Garden Folder - Blessed Thistle, Holy Thistle, etc., the famous Glastonbury Thorn tree, Christmas Roses, will be among others of legend and lore. ---------- $2.00

From time to time we will have Folders of interesting trees and vines, also shrubs, etc., as we can obtain them. One Folder we have now is for quick landscaping, giving massive or speciman effects.

Landscape Folder, Solanum aviculare, Wigandia, Melianthus (Honey Bush), Tree Cineraria (Senecio petasetes), Tree Wormwood (Artemisia arborescens), Gunnera, Korean Plectranthes. ---------- $1.50

Out-of-ordinary Garden Fruits Folder. Some are annual. Cape Gooseberry (Poha) perennial, for preserves, warm climate. Tree tomato (Cyphromandra) tomato relative, edible, pretty shrub. Cassabanana (Sicania, Curuba) annual vine, fragrant fruit, edible melongourd. Roselle (Hibiscus sabd.) for jelly. Alpine Strawberry, excellent in partial shade, fine flavor, good for borders.-- $1.50

Fragrant Garden Folder. These are quickies. Nicotiana, Heliotrope, Wallflower, Hesperis, Mignonette, etc.---------- $1.00

Perfume Shrubs Folder for a new dimension in your garden and a delightful new hobby and permanent source of pleasure. Michelia fuscata, Datura varieties, Stephanotis, Osmanthus, Acacia Faresiana (Huisache), Night Bloom Cestrum, Sweet Fern (Comptonia), Hymenosperum, Chimonanthes. Let me know if you want the Folder for greenhouse or out of doors. ---------- $2.00

Lavender Folders I and II. The more common Lavenders will be in Folder No. 1. Many rare varieties and species in No. II ----------$1.50&$2.00

Native and Useful Plant Folder of interest to the Herb Gardener. Vitex agnus-castus, Licorice, Sassafrass, Witch Hazel, Hops, Cascara Bayberry. ---------- $1.50

Dye Plant Folder for the Craftsman. This has many scarce oldtime dye plants, Madder, Weld, Alkanet, Woad, Dyer's Broom, etc. ---------- $2.00

If you prefer PLANTS instead of SEEDS, you can get very fine sturdy ones of herbs, from Bonnie Roberson, Hagerman, Idaho, Box 107. She also sells Potpourri, Herb Jellies, Satchets, and other Herb products. Send for her list.
